Tank Garage Winery comes to life in a 1930s era gas station in the Napa Valley town of Calistoga, California.

The winery and tasting room are the dream of two longtime friends—who, after decades of collective experience in farming and creating world-class wine, decided to celebrate the heart and soul of vintage California culture and creativity. The result is a small collection of “one off,” uniquely-crafted wines that draw heavily on the owners’ personal lifestyles and experiences. Belief in the notion that ideas and influences continually surround us, tease us, and tempt us is at the heart of Tank Garage Winery. Whether you’re facing the new and the unknown, or celebrating the past, just hold on and embrace it. And above all ... Never Dream Alone.

## T-VINE WINERY

810 Foothill Boulevard, Calistoga, CA 94515 | (707) 942-1543

Open daily 10:00 am–4:30 pm. Closed Christmas Eve, Christmas and New Year's day. Appointments requested for parties of 4 or more.

[www.tvinecellars.com](http://www.tvinecellars.com)

PASSPORT: Taste of T-Vine, a selection of four wines from our multigenerational growers.

Founded in 1992, T-Vine Winery is built on a passion for crafting small lots of big, juicy wines from unique varietals, old vines, and seasoned growers. In 2009, a partnership between friends and vintners James Harder and Jim Regusci formed to acquire T-Vine Winery with a clear-cut mission to carry on T-Vine's traditions. Our wines will be big, dark, balanced and brimming with fruit. The most important part of winemaking is grape growing—farming wine grapes is as much of an art as it is a trade. So we find the best. Farmers with well-worn hands and generations-worth of wisdom. Their vineyards are theirs—not some corporate holding—planted with gnarly, loyal, old vines and long-forgotten varietals. Through nearly inconceivable care, these vines manage to produce some of the most astounding grapes in the world. All of which makes our job pretty easy.

With a focus on excellence and sustainability, we source fruit from some of the best appellations and vineyard sites in California.
